

Module 5: Problem Set 0

Week 0: Course Orientation

Instructions

First, in your CSCI E-5a folder, navigate to the Week 0 folder, and then to the folder for Problem Set 0:

Now work through the questions in the problem set. With two exceptions, all the answers will just be **text**. When you're all **done**, **knit** Problem Set 0 **to a PDF**.

So that's it for Module 5: Problem Set 0. Now let's move on to Module 6: Gradescope and Canvas Grades.
